

## Mackenzie Investments – GLC boutique team update

Mackenzie Investments has made an announcement regarding recent changes to Science & Technology as well as U.S. Dividend strategies. Brenda Nicholls, who was a co-portfolio manager on Science & Technology along with Martin Rose, is transitioning off the mandate and will now be overseeing the U.S. Dividend strategy as a lead portfolio manager. Ms. Nicholls will assume portfolio management responsibilities previously performed by Clayton Bittner.

Clayton Bittner will continue his role as lead portfolio manager of Canadian Dividend strategy.

Science & Technology will continue to be managed by Martin Rose who is now becoming the lead portfolio manager.

The fund's benchmark, fee, investment objective and style remain unchanged and no action is required.
